Bullet Points

- DMX Dynamic Moving Air Cushioning Midsole increases response and comfort underfoot for a fresh feeling
- Hydrotex™ Waterproof Liner keeps your feet dry from wet worksite conditions
- XTR® Extra Wide Toe Caps protect your toes without crowding and constricting your toes from moving freely and fully.
- Memory Tech Massage 2.0 Memory Foam Removable Footbed massages and cushions with every step
- Trail-inspired rubber slip resistant outsole with lugs that prepare you for any element on the jobsite terrain
- Reebok is Fit for the Way You Work. Our work boots and shoes in athletic, casual, and slip resistant styles, are designed to offer the perfect combination of comfort and performance. Reebok inspires people to be fit for life. Our footwear is for the way you work - on the jobsite, in the factory, or in the field.
