Product Description

Whether you're delivering the goods or running the warehouse floor, make work an adventure. The Nano X1 Adventure Work takes you out of your routine and elevates your work day. Floatride Energy Foam in the forefoot gives you a lightweight feel and responsive ride. Raised lugs for better traction on any surface. Built with a rugged sole, designed to help you push your sweat to new extremes. It's all the intensity you love in a shoe that it made for the most adventurous of workdays.

Product Features

ASTM F2413, Composite Toe, XTR® Brand Composite Toe, Electrical Hazard, SR-ASTM F3445, Metal Free

Bullet Points

- Stretched ripstop mesh upper for outdoor vibes and extra durability
- Heel Stabilizer for multi-directional movement support
- Floatride Energy foam is supportive, highly responsive, and lighter than traditional EVA
- MemoryTech Massage 2.0 footbed adapts to the contours of your foot and provides immediate cushioning
 - Slip Resistant bottom meets or exceeds ASTM F3445 standard with lugs for all-terrain traction
 - XTR® brand extra wide composite toe reduces weight while maintaining impact and compression protection (meets or exceeds ASTM F2413)
